Dear Parents/Guardian

Examination Week for Year 12

Monday 6 December – Friday 10 December 2021

Our Year 12 'Winter Examinations Week' will run from **Monday 6 to Friday 10 December 2021** inclusive. A detailed copy of the exam timetable for Year 12 students is attached. During this examination period **Year 12 are required to attend for their examination or teaching sessions only, as on the timetable.** This will be similar to the arrangements that will apply during their GCSE examinations in May/June 2022. The intention is that students will use this additional time to study; your support with this is greatly appreciated. Study facilities are available within the College during exam week if required.

Students continue to work through a 'study skills' programme with their form tutors; they will produce a revision plan on how they can make full use of their study time. It is vital that students prepare for their exams appropriately as this will support both students and their teacher in identification of areas for improvement. Study Skills Booklets, Planners and Timetables are available on our Schools Website. www.newbridgeintegrated.org

Study Day for Year 12:

Year 12	Monday 6 December	Study Day – Students Revise at Home
----------------	--------------------------	--

An attendance register will be taken in the exam hall or designated room

Please note that Year 12 students must attend BALC courses, Training for Business and Occupational Studies at SRC as normal, unless alternative arrangements have been provided by the BALC school. Transport will be provided to and from the school as normal.

If you have any queries regarding these arrangements, please do not hesitate in contacting Mr Walker Year 12 Co-ordinator. Please note that reports will be made available on SIMS Parent App in January, however a printed version can be made available on request.

May I take this opportunity to thank you for your continued support.

Yours sincerely

Mr Thompson
Senior Teacher (Curriculum)
